

### Year 4 Project Homework

#### **Title: Weather**

This homework has been set from **Friday 19-October 2018**.

The homework project is due in on **Wednesday 14 November 2018**.

For this project homework, can you please select one or more activities below and complete them. You will present what you have found out to the rest of your class. Please ask for whatever paper you need from your teacher during the homework project.

This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

Write a non-chronological report about a country that you would like to visit.	Create a dry climate landscape (e.g. desert) using materials from your home.	Create a tropical climate landscape (e.g. rainforest) using materials from your home.
If you could create your own climate what would it be? Create a fantasy setting based on that climate.	Do a country profile with the different types of weather that you find in that country.	Pick a country in the world that has a different climate to the UK. Create a fact-file about that country and its weather.

**Free choice:** Pick a project of your own to complete about weather.
