Reach For The Stars

# Parents Phonics session

Friday 16 November 2018

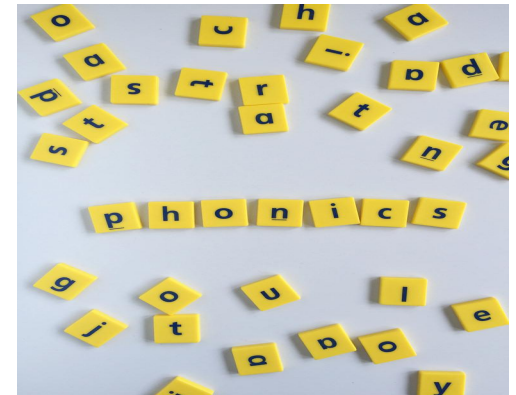

Welcome everyone!

# Aims

1. To share with you what phonics is.
2. To inform parents of how phonics is taught at Osmani.
3. To introduce parents to phonetic sounds.
4. To show parents how they can support their child at home.

# What is phonics?

- Phonics is a way of teaching children how to read and write.
- It helps children hear, identify and use different sounds that distinguish one word from another in the English language.
- Understanding phonics will also help children know which letters to use when they are writing words.

# Phonics at Osmani

- In Osmani, we start off by getting our children thinking about sounds around them e.g. sounds in the environment.
- Once children are ready, they move on to the Read, Write Inc programme. Phonics lesson is taught on a daily basis with one of the members of staff in Nursery.

# Introduction to sounds

-Nursery will start off on Set 1 sounds and here is a little introduction to the sounds:

<https://www.youtube.com/watch?v=EYx1CyDMZSc>

**Now let's have a go!!!!**

# How you can help

- Ask your child what sound they have been learning about in school.
- Get them familiar with the sounds in their names.
- Point out and say sounds at home, school or outside.
- Get them tracing, air writing or writing sounds.
- Listen to phonics songs on Youtube.
- Play phonics games on ipads and other electronic device.
