

### The River Nile Homework Project

The homework project is due in on Thursday 24th January 2019.

Each week can you please select one of the activities below and complete them. You will present what you have found out to the rest of your class. Please ask for whatever paper you need from your teacher during the homework project.

This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

Make a code breaker in hieroglyphics for your family/friends to solve.	Make a pyramid.
Write down the different inventions Ancient Egyptians made.	Make an Egyptian statue.
Invent an Egyptian statue. What powers would they have? What would they look like?	Do a diary entry from the point of view of an Egyptian cat. (Cats were very well respected during those times)

**Free choice:** Pick a project of your own to complete. Remember it has to be about the Ancient Egyptians.
