

## Year 6 Project Homework

### Title: Code Breakers

Reach For The Stars

This homework has been set from week beginning **7<sup>th</sup> January 2019**.

The homework project is due in on **Wednesday 27<sup>th</sup> January 2019**.

For this project homework, can you please select four or more activities below and complete them. You will present what you have found out to the rest of your class. Please ask for whatever paper you need from your teacher during the homework project.

This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

Create a coded message using numbers or shapes for your friend to decipher.	Create a fact file about a secret agent (the secret agent could be you).	Find out about the history of Morse Code. Are they still used today?	Create a poster about recruiting spies for your 'company'.
Design and make a gadget to help you on your spy missions.	Find out famous spies around the world and write a fact file about each one.	Watch a spy film and take note of all the gadgets used.	Create a code sequence and create your own spy code.
Write your own spy story.	Create a character description. Think whether your character is a spy or a villain.	Draw your own spy. What would he/she look like?	Create an advert using persuasive features to sell your gadget

**Free choice:** Pick a project of your own to complete. Remember it has to be about our topic 'Code Breakers'.
