

Reach For The Stars

Year 2 Project Homework

Title: Animal Magic

The first homework project is due in on 19th January 2018. The second homework project is due in on Thursday 9th February 2018.

Please select one of the activities below for the first homework project, then select another activity for the second homework project presentation, which will be due on 9th February.

This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

<p>Make a fact file of all of the different habitats that are found around the world. For example savannahs and tropical rainforests.</p>	<p>Write your own report about an animal of your choice. Remember to include a title, and subheadings based on the animal's habitat, diet and appearance.</p>	<p>Make an animal mask. Write a set of instructions on how to make it e.g. How to make a... and use the subheadings, What You Need, How to Make It, Top tips etc Remember to include bullet points and numbered steps!</p>	<p>Make a fact file of all of the different habitats that are found around the world. For example savannahs and tropical rainforests.</p>
<p>Create a poster of how we can tell if something is dead, alive, or never been alive. Tip: What do all living things do and need?</p>	<p>Create a model of a habitat. Think about the different animals that you will find in that habitat. For example, polar bears and penguins in polar lands.</p>	<p>Write your own Anansi story. Think of a title: Anansi and the Write about what happens in different parts of the story.</p>	<p>Create a poster of how we can tell if something is dead, alive, or never been alive. Tip: What do all living things do and need?</p>
