

Going Green Homework Project

The homework project is due in on Wednesday 16th May 2018. Each week can you please select one of the activities below and complete them. You will present what you have found out to the rest of your class. Please ask for whatever paper you need from your teacher during the homework project. This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

Write a poem about deforestation, global warming and the greenhouse gases.	Design a poster about the effects of deforestation to our planet.
Make a rainforest using junk material or create a collage of a rainforest. <i>al</i> or	Paint your very own flower (take a look at Georgia O'Keeffe's flower paintings for ideas).
Design a 'Going Green!' poster.	Draw/create a flower and label the different parts and their function.

Free choice: Pick a project of your own to complete. Remember it has to be about Going Green.

Try these websites at home or in homework club:
