

Let's Get Moving Project Homework

The first homework project is due in on Friday 15th June 2018. The second homework project is due in on Friday 6th July 2018.

This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

Make a model of your own transport. e.g. a car, a boat, an aeroplane, a helicopter	Find out about the astronaut - Tim Peake and his mission to space.	Research the Solar System. Which planet is the furthest/closest to Earth? What order do the planets appear from the sun?
Create a poster about how materials can change when heated or cooled. e.g. water to ice, solid chocolate to melted chocolate. What happens to an egg when it is cooked?	Create a fact file about Amelia Earhart. (the first lady to fly solo across the Atlantic Ocean)	Make a word search using words associated with transport and movement e.g. train, plane, fast, slow, force, push etc
