

Year 4 Project Homework

Title: Robots

Reach For The Stars

This homework has been set from week beginning 5th June 2017.

The homework project is due in on 26th June 2017.

For this project homework, can you please select one or more activities below and complete them. You will present what you have found out to the rest of your class. If you need any paper to help you complete your project homework, please ask your teacher.

This project homework is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

Write a poem or song about Robots	Watch a Robot movie and write a film review. Robots Wall-E Iron Man	Read a book about robots (fiction or non-fiction) and design and write a book review to persuade other children to read that book.	Design a collage of robot pictures. (Use magazines, newspapers etc for images)
Design and make your own robot out of junk material at home.	Look at robots in film history and create a robot timeline.	Explore the ways that robots are used by the police force and the army.	Explore robotic toys from different cultures, create a fact-file about them.
Write an explanation text to explain how your robot moves and works.	Create a robot language using codes.	Make a film poster for a robot film.	Create a comic strip about a robot.
Visit the Science museum to view the Robot exhibition	Design your own robot	Create a quiz on Iron man.	Create your own robot superhero and list their special powers.

Free choice: Pick a project of your own to complete. Remember it has to be about 'Robots'.
