

# Year 2 TH Real Estate Partners

A big thank you to all the volunteers that gave up their time to come and work with children in Osmani Primary School. Here are some messages from the children in Year 2:

*"My partner helped me to read better"* **Reehad**

*"I looked forward to working with my business partner because he read a book to me"* **Samirah**

*"I enjoyed working with my partner because we had fun reading"* **Fahmida**

We hope that you will return back to Osmani Primary School next year and work with more children.
