Equal Opportunities and the Single Equality Scheme

We believe that all those who work in Osmani - children and adults - have the right to be treated fairly and with respect by everyone connected with the school.

We aim for Osmani to be a safe, supportive place, where all children and adults feel valued as individuals, whatever their ability, age, disability, gender identity, marriage or civil partnership, pregnancy & maternity, race, religion or belief, sex and sexual orientation.

The school aims to foster the social and personal skills of cooperation, sharing and mutual respect.

This policy supports the school in addressing all of the UN Convention on the Rights of the Child.

Looked After children and Previously Looked After Children in education

Many looked-after and previously looked-after children have suffered disrupted learning, may have missed extended periods of school, and many of them have special educational needs (SEN). The gaps in their learning and, in many cases the emotional impact of their experiences, are likely to have become significant barriers to their progress. The complexity of this fragmented educational experience with high incidence of SEN, needs careful assessment and planning.

Osmani Primary School believes that in partnership with Tower Hamlets Local Authority as

Corporate Parents we have a special duty to safeguard and promote the education of Looked After Children.

Who are Looked After Children?

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- children who are accommodated under a voluntary agreement with their parents (section 20)
- children who are the subjects of a care order (section 31) or interim care order (section 38)
- children who are the subjects of emergency orders for their protection (sections 44 and 46)
- children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement (section 21).

The term 'in care' refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with foster carers, in a Children's home, in a residential school, with relatives or with parents under supervision.

Children who are cared for on a voluntary basis are 'accommodated' by the local authority under section 20 of the Children Act -they may live in foster care, in a Children's home or in a residential school. All these groups are said to be 'Looked After Children' -LAC. They may be looked after by our local authority or may but in the care of another authority but living in ours.

LAC reviews, involving the school, will take place up until an adoption order has been granted.

However Pupil Premium Plus funding will continue for LAC until they are 16 years old.

Who are Previously Looked After Children?

Following amendments made by the 2017 Act, section 20A of the 2008 Act and Section 2E of the Academies Act 2010 place duties on the governing body of a maintained school in England and the proprietor of an academy in England to:

- designate a member of staff to have responsibility for promoting the educational achievement of previously looked-after pupils who are no longer looked after in England and Wales because they are the subject of an adoption, special guardianship or child arrangements order, or were adopted from 'state care' outside England and Wales;

Intent

1. To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.
2. To support our looked after children and give them access to every opportunity to achieve to their potential, enjoy learning and take as full a part as possible in all school activities.
3. To ensure that school policies and procedures are followed for LAC/PLAC and PLAC/PLAC as for all children.
4. To work with the Virtual School and ensure that carers and social workers of LAC/PLAC pupils are kept fully informed of their child's progress and attainment.
5. To fulfil our schools' role as corporate parents to promote and support the education of our Looked After Children, by asking the question, 'Would this be good enough for my child?'

Our school's approach to supporting the educational achievement of Looked After and Previously Looked After Children

Our approach is based on the following principles:

- Prioritising education
- Promoting attendance
- Targeting support
- Having high expectations and raising aspiration
- Promoting inclusion
- Achieving stability and continuity
- Early intervention and priority action
- Listening to children
- Promoting health and well-being
- Minimising exclusions and promoting stability
- Working in partnership with carers, social workers and other professionals

Roles and responsibilities in school

Osmani School will;

- Nominate a Designated teacher for Looked After Children/PLAC who will act as their advocate and coordinate support for them.
- Nominate a school governor to ensure that the needs of Looked After Children/PLAC in the school are taken into account at a school management level and to support the Designated Teacher.
- Support the Designated teacher in carrying out their role by making time available and ensuring that they attend training on Looked After Children/PLAC.

The role and responsibilities of the designated teacher for looked after children Designated teacher (DT)

The role became statutory in September 2009 under the Children and Young Persons' Act 2008 (the 2008 Act).

The designated teacher must be a qualified teacher or a member of staff who is likely to gain QTS by September 2014.

Ideally, s/he should be a senior member of staff who has enough status and experience to advise and provide training to school staff on issues relating to LAC/PLAC. They need to be able to influence

decisions about the teaching and learning of these children.

- Attending relevant training about LAC/PLAC and acting as the key liaison professional for other agencies and carers in relation to LAC/PLAC
- Promoting a culture of high expectations and aspirations for how LAC/PLAC should learn.

- Ensuring that the LAC/PLAC in their school have a voice in setting learning targets for

themselves.

Championing for LAC/PLAC.

Designated teachers should take lead responsibility for ensuring school staff understand the things which can affect how looked-after and previously looked after children learn and achieve and how the whole school supports the educational achievement of these pupils. This means making sure that all staff:

- have high expectations of looked-after and previously looked-after children's learning and set targets to accelerate educational progress;
- are aware of the emotional, psychological and social effects of loss and separation (attachment awareness) from birth families and that some children may find it difficult to build relationships of trust with adults because of their experiences, and how this might affect the child's behaviour;
- understand how important it is to see looked-after and previously looked-after children as individuals rather than as a homogeneous group, not publicly treat them differently from their peers, and show sensitivity about who else knows about their looked-after or previously looked-after status;

- appreciate the central importance of the looked-after child's PEP in helping to create a shared understanding between teachers, carers, social workers and, 12 most importantly, the child's own understanding of how they are being supported;
- have the level of understanding they need of the role of social workers, VSHs and carers, and how the function of the PEP fits into the wider care planning duties of the authority which looks after the child; and
- for previously looked-after children, understand the importance of involving the child's parents or guardians in decisions affecting their child's education, and be a contact for parents or guardians who want advice or have concerns about their child's progress at school.

THE DT will be;

- Leading on developing and implementing the PEP within the school. The social worker is responsible for initiating the PEP process completing the front page of the PEP form.
- Monitoring the child's progress against the targets on the PEP and extending these targets if they have been achieved.
- Ensuring the child makes a smooth transition to the new school and that the child's records are transferred without delay.
- Liaising with the Virtual School in all aspects of the LAC/PLAC progress and support.
- Convening urgent multi-agency meetings if a LAC/PLAC is experiencing difficulties or is at risk of exclusion.
- Allocating the pupil to a member of the Pastoral care team, either Learning Mentor or Therapeutic team leader.
- Arranging for the LAC/PLAC to be supported by his/her peers.
- Promoting good home-school links and the importance of education as a way of improving life chances for LAC/PLAC.

The Dt must Produce at least one annual report* to the governing body which should include:

- current progress,
- attendance and exclusions (if any), any concerns regarding behaviour,
- how the PEP has been implemented and whether the actions put in place are effective in
- addressing the learning needs of LAC/PLAC,
- how the DT works in partnership with the LA,
- training undertaken for carrying out the role effectively.
- The report must not mention the children's names for confidentiality reasons.

Support the local authority in its statutory duty to promote the educational achievement of looked after children.

Ensure that the DT is given the appropriate level of support in order to fulfil their role.

In partnership with the head teacher, ensure that, through their training and development, the DT has the opportunity to acquire and keep up-to-date the necessary skills, knowledge and training to understand the respond to the specific teaching and learning needs of LAC/PLAC.

Governing bodies and the SLT should make sure that the DT role contributes to the deeper understanding of everyone in the school who is likely to be involved in supporting LAC/PLAC to achieve.

The governing body, in partnership with the head teacher, is responsible for monitoring how well the role is working. As part of this monitoring an annual report will be received from the DT.
