Equal Opportunities and the Single Equality Scheme

We believe that all those who work in Osmani - children and adults - have the right to be treated fairly and with respect by everyone connected with the school.

We aim for Osmani to be a safe, supportive place, where all children and adults feel valued as individuals, whatever their ability, age, disability, gender identity, marriage or civil partnership, pregnancy & maternity, race, religion or belief, sex and sexual orientation.

The school aims to foster the social and personal skills of cooperation, sharing and mutual respect.

UN Rights of the Child and Global Goals

This policy supports the school in addressing Article 28 (Right to Education) and Article 29 (Goals of Education) of the UN Convention on the Rights of the Child.

Rationale

To ensure an effective transition between:

Reception class to Year 1 Keystage One To Keystage Two Keystage Two To Keystage Three

To promote continuity and progression in learning and wellbeing by ensuring that all adults who work or will work with pupils are aware of pupil's achievements and emotional needs and implement the next steps to meet the needs of all children.

Primary Transitions For children with SEND

Appoint one person responsible for coordinating the whole transfer process at both settings

Confirm or establish parental wishes for school placement

For **Primary** confirm wishes at **Year 5** Annual Review before March where possible. Update statement by highlighting changes to SEN section. Tell parents about PAC Transition Conference in June and encourage them to attend to meet secondary Sencos, share their concerns and find out what provision is available.

Invite Secondary Disability Advisory teacher or Primary equivalent to these meetings as appropriate.

If parents are unclear:

Recommend contacting Parents Advice Centre / Apasenth to arrange support or accompanied **parental visits** to schools. Give out Transition information for parents from Section 1.5 'Supporting Parents' and school visit question prompt sheets. See also Section 2.2 for staff visit prompts.

Autumn Term -

- Ensure Year 6 parents get the Secondary Transfer Packs/LBTH Admissions booklets sent to all schools in September and draw parents' attention to the dates of school visits (mid Sept. to late October) which are listed in the latter document. Encourage parents to attend and report any lack of accessibility to Tower Hamlets Admissions or the SLS.
- Mid -September <u>all</u> parents are invited to LBTH Secondary Transfer Parents Meeting.
- Remind parents to send Statemented Preference forms to SEN section Mulberry Place, choosing 3 schools by the Friday before October half term at the latest.
- By November, check with parents that they have received updated statements for approval including Year 5 adjustments.
- By end of November SEN panel considers parental preferences, informs schools and gives them 3 weeks to respond.

Spring Term -

January SEN panel consider school responses/objections.

- By February 15th secondary schools will have been named on statements using information from Year 5 annual reviews, parental views and consultation between panel and schools.
- By beginning of March schools should have been decided upon and parents informed. So transfer arrangements such as transport, curriculum planning etc. can now be completed. Where necessary, receiving school to arrange funding for physical adaptations and staffing.
- March Ensure dates for Annual Reviews and/or Transition Planning meetings have been organised (can be combined in some cases)

Refer to Transition agenda and checklists in Section 2.2 of this document. It is good practise for Primary Sencos to invite the pupil and secondary Sencos/ key staff of the school named in the statement and to refer to transition plans on the Annual Review documents. From Section 2.2 bring the following to the Transition meeting: Key Contact sheet with blue header, Transition Action Plan form and the Individual second stage Transition information form with yellow heading.

Research suggests finding a joint venture to work on across schools encourages smooth transitions e.g. make an all about me' film /moving on book/power point...Pre- arrange the best method and time to communicate with the key contact at the new setting e.g. by .Tel. email, times of day...before communication breaks down.

Summer Term -

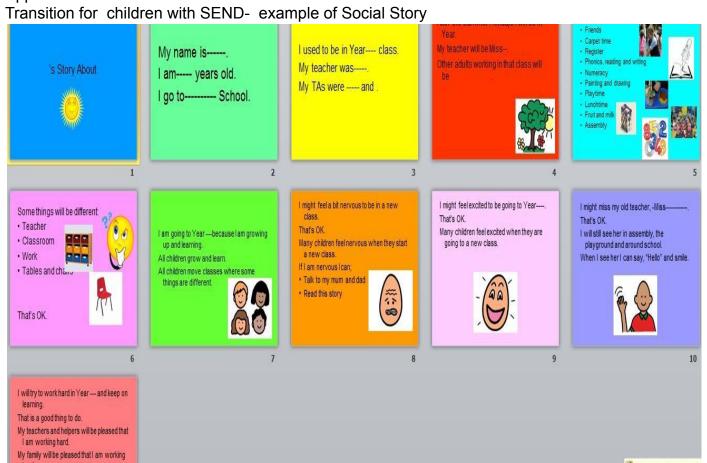

- Ask if the secondary school runs transition induction programmes for statemented pupils an what they entail.
- Extra pupil and or parent visits to the secondary school may well be beneficial. Secondary Disability Advisor can support this.
- Arrange for <u>safe</u> transfer of equipment, records and files. Inform all about where they can be found on the first day of the next term and assign someone to get them out!.

Post Transfer-

Don't forget to Invite the previous staff to first review meeting after transfer for ensuring consistency and provide an opportunity to iron out any problems early.
