

Uniform Policy

The Governors of the school believe that a school uniform is an important contributor to the overall success of the school and therefore expect that the school uniform will be worn by all children including those in the Nursery. This policy document will outline:

- The reasons for having a school uniform
- What the school uniform consists of
- Making the uniform accessible
- How the school will deal with non-adherence

The Governing Body will ensure that the school uniform guidelines are included within the Home School Agreement.

1. Why having a school uniform is important to Osmani Primary School

The governing body of Osmani Primary School believe that a school uniform is important

- in building the pupils' sense of identity and belonging to the community of the school.
- It instils a sense of pride in the school and supports positive behaviour.
- It is one of the symbols of the ethos of the school and protects children from social pressures whatever their ability, age, disability or gender.
- It reduces expenditure for parents/carers.

There are other advantages to having a school uniform which are important to the governing body such as security. A uniform enables pupils to be identified easily and means that any intruders can be identified swiftly.

2. The Role of Parents

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed and ready for their daily school work.

One of the responsibilities of parents is to ensure that their child has the correct uniform, and that it is clean and in good repair.

The school welcomes children from all backgrounds and faith communities. If there are serious reasons e.g. on religious grounds, why parents want their child to wear clothes that differ from the school uniform, the school will look sympathetically at such requests.

4. Accessibility to school uniform

The governing body recognises the need to ensure that the uniform is affordable and will work with the school to ensure schemes such as good as new sales are in place and well publicised. The school will also ensure that parents or carers where necessary know about any local authority schemes that can provide school clothing grants or other help towards the cost of school clothing.

The governing body recognises its obligations to accommodate reasonable religious requirements within the official school uniform and to ensure it is not discriminatory on the grounds of gender, race, religion or belief.

5. The Role of Governors

The Governing Body supports the Headteacher in implementing the school uniform policy. It considers all representations from parents regarding the uniform policy and liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity.

Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

It is the Governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities.

6. Non-Adherence

The governing body will insist that the school is considerate and discreet when trying to establish why a pupil is not adhering to the school's uniform policy. In the first instance, parents will **receive a telephone call from the school** if their child is not wearing correct and appropriate school uniform/footwear.

Parents will be expected to bring in the correct uniform/ footwear.

If you are experiencing financial difficulties, please make an appointment to meet with the Headteacher.

The school will work with parents and carers to find acceptable solutions that will help the pupil adhere to the uniform policy.

Whilst the Head teacher may discipline pupils appropriately for non-adherence to the policy, exclusion from the school will not be deemed appropriate action unless non-adherence is **persistent and defiant**.

This policy should be read in conjunction with:

- Inclusion Policy
