PSHE

Read Sam's letter and design a 'Welcome to our class card' for him.

Hello everybody, my name is Sam and I am going to be joining your class. Ever since I was a baby I have had an illness which meant I had to stay in hospital.

I have never been to a proper school even though I am the same age as you! Instead I have had all my lessons in hospital, but only when I was well enough.

I am very pleased to tell you that I'm better now, but I'm really scared about starting school. I still have a few scars on my face and body from my illness, and it makes me look and feel different. Even though I'm nervous I am looking forward to meeting you all.

Best wishes,

Sam.

ART

Draw their favourite British animals onto large sugar paper. Look for key 2D shapes and to check the relative size of each part of your animal. Sketch lightly so you can smudge away mistakes. Keep your drawings in the style of prehistoric artists, with simple, bold lines and shapes. Key question • Can you name the 2D shapes that make up your animal drawings?
