How do Jewish people treat the Sefer Torah as special and holy?

A Sefer Torah is so holy for Jewish people that it is very important to take extra special care when making it.

Here are some facts:

1. It must be handwritten by a scribe.
2. There must be no mistakes at all.
3. It takes about a year to eighteen months to write a full Torah scroll.

Make your own Torah scroll using pencils (or wooden rods/ sticks) and some rolled up white paper. Choose one of "Our Rights" and write it carefully with no mistakes onto your mini Torah scroll. Make sure there are no mistakes.
