History/Geography/Science

**To identify key features of the Earth
(Geography)**

<https://www.youtube.com/watch?v=x7k7CeWDtWs>

<https://www.youtube.com/watch?v=pOKoIAAnybg>

<https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/znm7vk7>

https://www.purplemash.com/#app/quiz/significantplaces_quiz_sa

https://www.purplemash.com/#app/diyjs/world_labelling

TASK: Use the above links to make notes about the different parts of the world then, label some of these significant places on a map, using the purple mash tool

SA – Today in Geography, I labelled the key features of planet Earth. I have learnt that...Did you know that...?

Next step:

T - What is the difference between a map and a globe?

TT - Why are countries warmer near the equator?

TTT - Which is colder the North Pole or the South Pole and why?

RE

To explore and suggest what things are worth celebrating

[Celebration Of Festivals ~ Names & Types](#)

What do you already know about celebrations and festivals?

What event/s matter to you that you think should be celebrated?

TASK: To create and design your own festival invitation flyer!

T - SC: Name of the festival, location/time, special activities, food and clothing

TT/TTT - SC: Name of the festival, location/time, special activities food and clothing, any religious connections

SA:

Festivals are joyful celebrations.

I believe we should celebrate because...

PSHE

To understand how exercise affects the body

[Movie: Healthy Weight](#)

[C.A.L.O.R.I.E.S. Song](#)

Task: Make and complete your own fitness challenge.

Think about a physical activity you can do now without stopping for a break. E.g. sit ups or star jumps.

How many could you do? How long could you do them for? How could you challenge yourself? Try to be realistic with your answer

SA:

For our bodies to work they need... because...

Some things we can do to stay healthy are...

One thing I enjoy doing to stay healthy is...

To stay healthy I like to ... for a period of...
