Hands-on Humanities

London is full of some of the best museums in the world – they can take us to far-flung places, transport us back through history and expose us to mind-blowing ideas. Many are FREE to visit and some have excellent workshops for children!

Challenge: can you visit a **different museum each week**?

Some museum suggestions and their nearest tube stations:

- Tower of London- Tower Hill (ONLY £1 for Tower Hamlets residents but you must take proof of name and address AND your Idea Store card OR Tower Hamlets Leisure Services card)
- Museum of London - Moorgate
- Victoria & Albert Museum – South Kensington
- Museum of Childhood – Bethnal Green
- Geffrye Museum – Hoxton
- Museum of London Docklands – West India Quay (DLR)
- British Museum – Russell Square
- National Maritime Museum – Greenwich (Main line) or Cutty Sark DLR

Local walks

Be a London Explorer! Try getting out and about by going for walks in your local area – you'll be amazed what you could discover! While you're out, see if you can complete these challenges:

- Sketch some of your favourite buildings
- make a list of what there is to do in the park for local people
- How many different fruits can you find in the market? Where are they from in the world?
- Can you find any buildings with blue plaques (circle tiles) on the walls? What do they say? Normally they are about famous people...
- Walk down a main street and make a list of all the different types of shops

Safety reminder: always ask people at home before going on a local walk, remember to cross roads safely and don't talk to strangers.

Year group challenge: Year 4

In Year 4, you'll be studying the Romans! Can you research information about the Roman Empire? Include how many countries they conquered and any other interesting facts you can find.

Information on the Romans can be found on the following website:
<http://www.primaryhomeworkhelp.co.uk/Romans.html>

Maths Fun!

What can you child do in exactly one minute?

Hop on one leg?

Stare without blinking?

Count the seconds in your

Make 200

1 2 3 4 5 6 7 8 9

Choose four of these digits.
Each one must be different.
Put one digit in each box.

This makes two 2-digit numbers reading across
and two 2-digit numbers reading down.
Add up all four of the numbers.

In this example the total is 100.

1	2
4	7

$$12 + 47 + 14 + 27 = 100$$

How many different ways of making 200 can you find?

Can you work out how many squares can be found in this diagram? Can you be sure you haven't missed any? Can you be sure you haven't counted any twice?

Year 4

Science in the Summer

Why are flowers colourful? How is a Polar bear adapted to live in the Arctic? What is gravity? These are tough questions but all you need to answer them is natural curiosity and a love of science.

Here are some websites to help spark your interest in science:

- [Science Museum](#),
- [Natural History Museum](#)

Also, check out BBC Bitesize science website. There's loads of fun games, quizzes and activities for you to try out! [KS2 Science - BBC Bitesize](#)

Science challenge

- Research a range of equipment explorers might take on an expedition.
- What are their functions and properties?
- What is an insulator?
- Design a cover to insulate a hot water bottle.
- What materials could you use and why?
How would you test it?

Don't forget:

A healthy mind requires a healthy body. Visit one of the many beautiful parks in Tower Hamlets.

Take your child swimming, learn to ride a bike, scooter or learn a new sport.

You can also stay fit while at home. Click on any of the links below to join in the fitness fun!

Children who learn to cook are more likely to eat healthily. Eat colourful fruits and vegetables to make sure you are having a healthy diet.

Most importantly, keep washing your hands to make sure you stay healthy and safe.

Year 3 (Going into Year 4)

Literacy learning in the summer

Are you looking forward to the summer holidays? We are too! It's a wonderful time to have lots of fun and learn in different ways. Here are some tips and ideas for how to keep your learning going over the summer while you're away from school.

1. **Go to the Ideas Store:**

There are lots of activities going on at the Idea Store for you to get involved in. Find out more at: www.ideastore.co.uk/whats-on

2. **Summer Reading Challenge**

Helping your child develop a love of reading is one of the most important things you can help them do. There is a summer reading challenge run by the Idea Store in Whitechapel.

3. **Book Review**

Why not write a book review of the books you read during the holiday. Remember to include:

The author and illustrator.

Is the book fiction or non-fiction?

What is the book about?

Who would enjoy this book?

Did you enjoy the book? Tell me why or why not?

Draw a picture of the front cover.

4. **Write a story**

Escape into the world of your imagination and write a story that your friends can read when you return to school. Remember to include: Who? Where? Where next? Why? What goes wrong?

Who helps? Where last? Don't forget to use 'show not tell' to describe the feelings of your characters.

My story

5. **Write a recount**

Write a recount of a visit that you have been on during the holiday. Choose one of the activities above then write down what happened.

Include the following information in your recount:

1. Give your recount a title.
2. Where did you go? When did you go? Who did you go with? Why did you go?
3. Describe your journey to the place.
4. Describe what you did while you were at the place.
5. Describe your favourite part of the visit.

Also remember to:

- Check that you have used the Super 6.
- Use adjectives and adverbs to describe what you saw and what happened.
- Use adverbs of time (first, next, after etc.) to link your ideas together and show the order those things happened in.
- Write in the past tense.
- Write in the first person.
-

25 horizontal lines for writing, evenly spaced.
