SCIENCE

When and how was space discovered?

In this lesson, we will be learning how and when space was discovered. You will be creating a timeline to help you remember all the key dates. You will need a piece of paper, a pencil, and a ruler if you have one.

Geography

Villages, Towns and Cities, Lesson 5 – What makes up a city?

<https://classroom.thenational.academy/lessons/how-are-settlements-shaped-c4wp2r>

RE

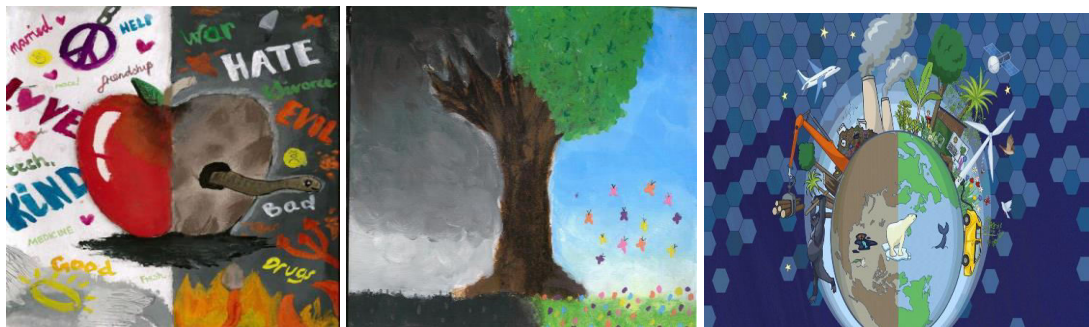

Think of all the good and bad things in the world and make a list of them. Look at the list below for examples:

Good
Fruits
Plants
Mountains
Wild animals
Sunshine

Bad
Litter
Car fumes
Deforestation
Illegal hunting/poaching of
Flooding and tornados

Can you create a picture to show both the good and bad things in this world?

Look at the pictures below for examples.

Create a picture, painting, collage or 3d model of your special tree. Once completed, take a picture and email it to the Year 2 email.

Now explain in writing why you chose these good and bad items to add to your picture.

PSHE

During the school closure we have had to stay at home and look after each other. But how do we do this? What are the different ways in which we care for each other?

Task: Make a poster to show how you have been kind and caring to others at home. Think of the things that people do for you at home and the things you do for others e.g. mummy, daddy, grandad, grandma, brother or sister. Look at the pictures below for more ideas.
