History/Geography/Science

Geography / History

How do we produce energy (Part 1)? - Lesson 2

Click on the link below to find out more. Then, write an SA to explain what you have learned.

<https://classroom.thenational.academy/units/energy-and-sustainability-4aaa>

Science

Electricity

What are the different components in an electrical circuit? - Lesson 2

<https://classroom.thenational.academy/units/electrical-circuits-06f7>

RE

Christianity

Click on the link below to learn about the story of Jesus and the tax Collector Zacchaeus.

What lesson did Jesus teach the people from his actions? How should we treat others?

Write an SA to explain how this story influences the lives of Christians and the way they treat others.

Instructions/Art activities online - <https://www.darrellwakelam.com/downloads>

PSHE

Circles of Change

Think about the changes you have experienced from Reception to Year 4.

What can you do now that you couldn't do before? Create a list of things that were difficult when you were in reception, but are much easier now.

For example: learning to ride a bike, to do joint handwriting, to reach the top of a cupboard etc. Then write an SA about something that is tricky now, but you might be able to achieve by the end of Year 5.

PE - Daily workouts
