Home Learning Activities

Year 1 – Autumn 2

Money Making different amounts using 5p 1p 2p coins. When shopping say which coins you could use to pay for things under 20p. 	**Place value** Talk about numbers in the environment – No.25 bus. What does each digit represent? 	**Fractions** Identify half/ quarter of quantities e.g. When pouring drinks, when cutting cakes, fruit, pizzas- dividing into equal parts. 	**Counting** Practice counting e.g. on journeys count different objects seen. Count to check the accurate number of plates etc. when setting the table for family/ visitors. Also practise counting in 2s 5s and 10s.
Patterns When you are out, look for patterns in the environment such as a zebra crossing, brick work. 	**Time** Watching TV, what time does your favourite programme start/ finish? What time do you get up in the morning? What time do you have your breakfast? How long does it take you to eat it? What time do you go to bed? Look at the clock to check. 	**Measurement** Cooking activities- measuring out ingredients. Looking at capacity/ volume/ weight identified on food & drink packaging- litres/ millilitres/ grams. Order objects from lightest-heaviest. 	**Number Bonds** Try and find different ways to make 10/20.
