unlocking potential

Highlights from this Half Term

Exploring London from New Heights

On 10 July, UP facilitated a visit to UniCredit, one of our valued donors. A group of 12 children from Osmani, accompanied by two Osmani staff members and two UP staff members, visited UniCredit's offices on the 47th floor near Liverpool Street.

The children enjoyed spectacular views across London and had the opportunity to spot some of the city's famous landmarks. They also took part in a range of fun activities with UniCredit staff and were delighted to receive a box of LEGO each as a gift.

The following week, the children created thank-you cards and letters for the UniCredit staff. These were passed on and were greatly appreciated by the team.

Termly Data

12	Children seen for 1:1 Therapy	19	Number of Speak Up's attended
73	Number of 1:1 Therapy sessions offered	8	Children seen for OT
2	Children seen for 6xTalkTime	65	OT sessions offered
