Safeguarding Statement

At Osmani Primary School, we are committed to promoting the safety and welfare of all our pupils, staff and visitors.

As part of this commitment, we have a legal responsibility to inform Social Care of any child protection concerns relating to children who attend our school.

In the majority of cases, a member of staff will contact you to discuss this and if necessary any subsequent referral to Social Care. Please be aware you may not be contacted in advance of a referral if it is felt this could place a child at risk of 'significant harm'. We appreciate your support in this matter.
